*"Fighting Hunger...
Feeding Hope"™*

The Regional Food Bank started the *Food for Kids Backpack Program* in January 2003 in response to hearing a firsthand account of an Oklahoma City elementary student who fainted on a Monday morning, while waiting in the school lunch line, due to lack of food over the weekend. The program provides chronically hungry children, identified by school personnel, with backpacks filled with non-perishable, kid-friendly food to eat on weekends and school holidays.

Financial Contributions Only * Please Remit in Oklahoma City
